Welcome to clash of minds, DPS HRIT Campus proudly announces its upcoming Inter-School Debate Competition 2025—an event that promises to ignite minds, challenge beliefs, and cultivate the art of persuasive speaking. In a world where conversations shape change, we invite students to express their viewpoints with clarity, conviction, and courage. This platform is not just about proving a point; it's about learning to see from all sides, about engaging in respectful argument, and about growing as articulate, thoughtful citizens. Whether bold or hesitant, every voice here will be heard, and every thought will be valued. We welcome you to this celebration of intellect, wit, and expression!
