Dear Students, Parents and Teachers

It fills me with immense pride that you all did so well in your Board Examinations. Your success is our pride. Congratulations to each one of you. Celebrate your accomplishments, cherish the memories you've created, and take these lessons with you as you move forward.

Summer fiesta is forever a delightful experience at DPS HRIT Campus. We would like to appreciate students' involvement in the Summer Camp. Their energy and passion made this event a transformative experience. It was indeed gratifying to see them all enjoy each and every activity of the summer camp ranging from swimming, robotics, dance, tie and dye, shooting etc. Students were so aptly guided by their mentors during each activity—whether sporting events, arts and crafts, or ramp walks. All these activities helped children to learn the values of teamwork, perseverance, and respect apart from discovering new skills, fostering friendships, and building strong character. Teachers too ensured nurturing environment for students that prioritized their safety, fun, and learning thereby fostering social skills, teamwork, and creativity.

We should remember that curious minds always aid the learning process. It gives an opportunity to the young learners to display enthusiasm, curiosity, and resilience. From mastering new sports to discovering artistic talents and navigating team challenges, students achieve remarkable experiences and achievements. Every obstacle faced and handled skilfully strengthens confidence and character.

To our supportive parents and families:

Thank you for entrusting us with your children and supporting their journey. Your encouragement and partnership have been pivotal in creating a nurturing and safe environment for growth and discovery. This newsletter will take you through few glimpses of the summer camp.

Enjoy the school life, stay curious, stay kind.

Warm regards,
NANDINI SHEKHAR
Principal
